ANNOUNCEMENT

SUBJECT: Moe I. Schneebaum Memorial Award for Engineering
Nominations Due: July 30, 2004

The Moe I. Schneebaum Memorial Award for Engineering is presented in memory of Moe I. Schneebaum for his far-reaching contributions to space technology and to the Goddard Space Flight Center. This annual award is the Center's highest recognition for an engineering contribution and is presented to a Goddard civil service employee for the outstanding personal contribution toward advancing and extending technology of space flight. The contribution may be for a single or continuing significant engineering achievement or for a recent professional paper or a research paper. This year's award will be presented during the annual Moe I. Schneebaum lecture, to be held in the Building 3, Goett Auditorium at 3:30 p.m. on **September 13, 2004.**

All Goddard employees are invited to submit nominations and there is no limit on the number of nominations that may be submitted. The nomination may be completed, using either the form on the reverse side of this announcement, or by downloading it from OHR's web site at: http://ohr.gsfc.nasa.gov/Forms/Ohr/home.htm, and forwarding it to the Awards Office, Code 114, Building 1, Room 139. While brevity is desirable, the text of the nomination should clearly describe the nominee's accomplishment and its significance. Please include the following: 1) a list of all refereed papers and publications; 2) a copy of the most important publication(s) that support(s) the nomination; 3) three letters of endorsement; and 4) a curriculum vitae. There is also the possibility that you will be contacted by a committee member for additional information.

Questions concerning submission of these nominations may be directed to Brenda Ritch 301-286-4775. All nominations must be received by the Awards Office no later than July 30, 2004. For questions about the Goddard Awards Program please contact Khrista White, at 301-286-9059, Khrista.N.White@nasa.gov, or visit OHR's web site at: http://ohr.gsfc.nasa.gov/awards/home.htm.

I want to add my personal request to this call for active employee participation both in submitting nominations and attending the colloquium where this award will be presented.

A.V. Diaz
Director

DISTRIBUTION CODES:

Civil Service) – GSFC Employees

(Civil Service) – GSFC Section Level and Above

*C (Civil Service) – GSFC Branch Level and Above

*D (Civil Service) – GSFC Division Level and Above

**A (Contractor) – Contractor and Other Employees

**B (Contractor) – Contractor and Other Offices

GSFC 3-1 (05/94)

Moe I. Schneebaum
Memorial Award for Engineering

NOMINATION FORM

Name of Nominee _____
Title _____
Organization _____

Statement of contribution on which nomination is based. Please summarize the engineering contributions of the nominee and their impact on GSFC, NASA, and/or the external engineering community. One additional page may be used for the nomination. In addition, please attach any supporting documentation (such as curriculum vitae, publication list, patents, etc.) that demonstrates the accomplishment(s) of the nominee.
You may be contacted by a committee member for additional information.

_____ Typed name of nominator _____
Code/Extension

_____ Signature of nominator _____
Date

(In order to receive consideration, nominations must be received in the Awards Office, Code 114, Building 1, Room 139, no later than Friday, July 25, 2003.)
